ABOUT THE PROPERTY

Rose Cottage is one of a number of older, original properties in this delightful, thriving and ever popular Vale Village.

The lounge features a free-standing multi-fuel burner set within an Inglenook fireplace with original timber mantle and a quarry tiled hearth. This cosy charming room features ceiling beams, dimmable lighting, a front facing double-glazed window offering a deep oak sill and fitted shutters.

Open-plan from the lounge is a useful second reception room (currently fitted out as a home office/study and TV room) with solid oak flooring, and enjoying a second multi fuel burner, ceiling beams, dimmable lighting and a front facing shuttered double-glazed window with broad oak sill.

From the lounge, a glazed stable door leads into the kitchen/dining room, a later extension. The kitchen has been fitted with a range of modern wall and base units with complementary laminate work surfaces and dimmable ceiling spotlights. Offering a range of integral appliances to remain including 4-ring induction hob, glass splash-back with extractor hood above and eye-level double oven with grill. The kitchen also benefits from a large pantry cupboard, ceramic tiled flooring and leads directly into the dining room. This is fitted with oak flooring and features a triple-glazed broad picture window offering plenty of natural light and providing a lovely outlook over farmland and garden. A glazed stable door leads out onto the side patio and garden.

Just off from the kitchen is an inner hallway with space for cloaks. This leads to the ground floor 3-piece shower room offering a large fully tiled shower enclosure and three useful storage cupboards; one used as a utility cupboard with plumbing for a washing machine.

An oak open tread staircase leads up from the lounge to the generous landing area with exposed floorboards and presents two low-level double-glazed windows overlooking the front.
