Summary of Accommodation

About the property

10 Ger Y Llan is an incredible property that must be viewed to be most fully appreciated. Located within this cul-de-sac a short distance beyond the centre of St. Nicholas village. It was dramatically modernised, extended and updated in recent years. It retains a wonderfully contemporary appearance yet provides extremely family-focussed accommodation. From the spacious driveway fronting, a contemporary door leads into a central ground floor hallway and WC from which doors lead to all the principal rooms; a 'floating' wooden staircase with glass balustrading leads to the first floor bedrooms. Additional doors from the hall opening to a cloakroom and to a utility room. Looking over the driveway is a study, complete with fitted stylish desk units. Beyond this is the family lounge, a dual aspect room with a window to the front and double doors leading to the rear garden. To the very heart of the home is an extremely impressive kitchen-living-dining room of great proportions including kitchen area with island and breakfast bar, ample seating room and space for a large family sized dining table and chairs. Sliding doors open from the dining area into the rear garden. The kitchen itself includes a most comprehensive range of quality units and 'Bosch' appliances, where fitted, are to remain throughout. Also boiling water tap and filtered cold water tap.

To the first floor, landing area has doors leading to all four bedrooms and to the family bathroom. The largest, principal bedroom includes its own dressing room with fitted storage and an adjacent en suite shower room with twin hand basins.
