## Summary of Accommodation

### About The Property

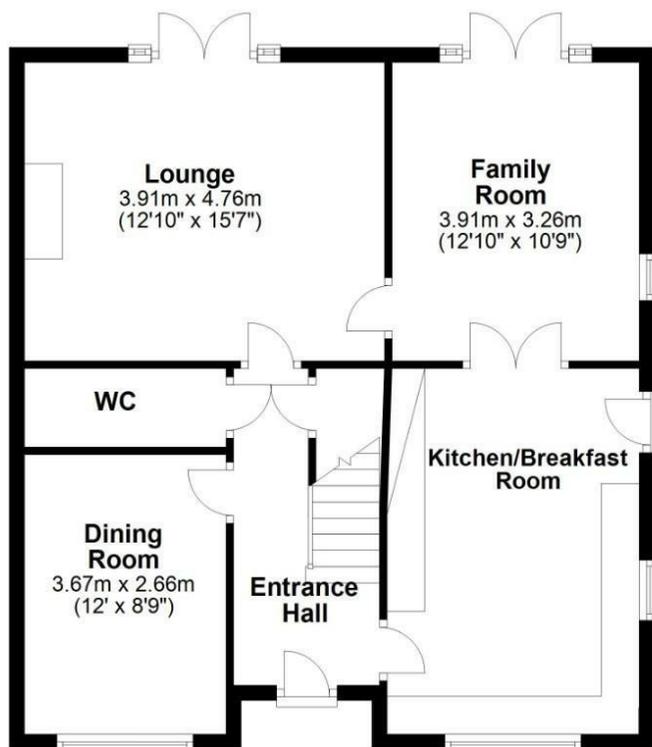

Built in around 2013, Hoggan House is a great modern home in a wonderful location, conveniently close to - and a level walk from - Cowbridge Town Centre and its shops, schools and amenities. As such these properties are exceedingly popular. The accommodation is spacious and in particular, it benefits from a southerly facing garden to the rear. Entrance porch leads into a central ground floor hallway from which doors lead to the kitchen, to the lounge and to the study while a staircase leads to the first floor. One additional door opens into a ground floor WC. Kitchen, looks to the front of the property and has a second window to the side driveway elevation. A door from the same kitchen leads to the drive. It includes a great run of fitted units with granite work surfaces and appliances, where fitted, to remain include 5-burner gas hob, double oven, microwave and fully integrated fridge, freezer, dishwasher and washing machine. There remains ample room to the heart of the kitchen for a dining table while double doors into a dining room to the rear of the property. Both the interconnecting dining room and the family lounge are to the rear of the property and both have double, French doors leading into the rear garden. Both enjoy a southerly aspect looking over the same. A highly useful additional reception room – currently used as a home study – looks to the front elevation.

To the first floor the landing area has doors leading to all 4 bedrooms and to the family bathroom with its shower over bath. The principal bedroom looks to the front elevation and is a generous double with fitted wardrobes and its own contemporary en-suite shower room. Bedrooms 2 and 3 look to the front and rear elevations respectively and both have fitted wardrobes. These are both generous double bedrooms. Bedroom 4 overlooks the rear garden and is a good sized single
