Summary of Accommodation

ABOUT THE PROPERTY

Crescent Close is a small cul de sac of semi detached homes close to Cowbridge Town and all its amenities. Understood to have been built in the late 1990's, many of these properties have been extended in more recent years. 15 Crescent Close offers purchasers considerable scope to modernise and improve and, subject to any appropriate permissions, to extend as many in the vicinity have already done. At present the accommodation includes an entrance porch leading in to a living room to the very heart of the house. From here, a staircase leads to the first floor bedrooms while a door opens into the kitchen-diner. A window from the living room looks over the front garden and onto the cul de sac. Running the width of the rear of the property, the kitchen-diner has a distinct kitchen area with some fitted units and an adjacent dining space; a window from the kitchen area looks over the rear garden while a door from the dining area opens to the same.

To the first floor, a landing area features an airing cupboard and doors to the two bedrooms and bathroom. The largest of the bedrooms has its own storage cupboard and looks to the front elevation; the second bedroom is to the rear and enjoys a southerly aspect. Both share use of the bathroom with its three-piece suite.

Total area: approx. 54.4 sq. metres (586.0 sq. feet)
15 Cresnet Close, Cowbridge

Garden & Grounds

'Casa Mia' is set to the head of this cul de sac and occupies a larger-than-expected plot. A drop down-kerb runs through to a gated entrance and off-road parking area from which a path leads to the principal entrance doorway. This continues to the rear garden and the back door in to the kitchen-diner. The rear of the property enjoys a southerly aspect, catching the sun for most of the day.

Additional Information

Freehold. All mains services connect to the property. Gas fired 'combi' central heating. Council tax: Band E

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		86
(81-91) B		
(69-80) C	69	
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs		
England & Wales	EU Directive 2002/91/EC
