Summary of Accommodation

ABOUT THE PROPERTY

Brynderi was originally built in the 1930s as a detached bungalow, but has been thoughtfully extended and fully renovated by the current owners into a substantial family home. This well-presented and immaculate accommodation offers over 4000 sq ft to include; three reception rooms, four bathrooms and five double bedrooms surrounded by its own 0.4 acre plot of impeccably manicured gardens.

There are two large reception rooms, both with views over the garden and log burners set within ornate fireplaces with slate hearths. Within the larger lounge, the 8kw stove contributes towards the hot water and heating. A glass panel door, leads seamlessly into the quality 'Baltic' pine conservatory with pitched roof, which enjoys views over and access out to the side garden and enjoys morning sunlight.

To the heart of this family home lies the kitchen/breakfast room offering wonderful views over south-facing gardens. Fitted with a range of solid, bespoke wall and base units with central island. Appliances were fitted to remain to include; freestanding range cooker with 5-ring gas hob, separate double oven will grill, micro oven, dishwasher and larder fridge. This ideal family/entertaining space has traditional quarry tiled flooring. There is also a walk-in shelved pantry cupboard with tiled cold shelf providing ample storage. Adjacent to the kitchen is the utility/boot room with access onto the rear courtyard and veg garden. This room offers ample fitted storage and plumbing for appliances.

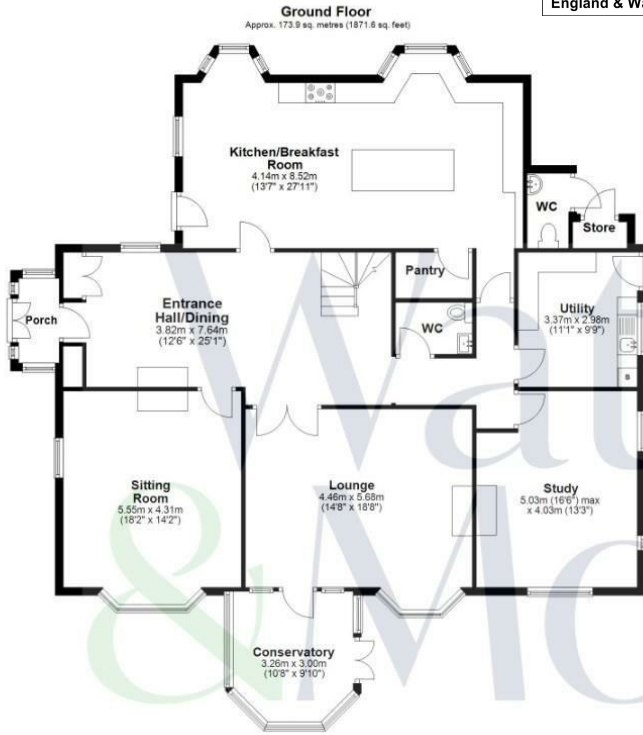

Completing the ground floor is a multi-purpose playroom/study, along with a contemporary 2-piece cloakroom/WC.

GARDENS AND GROUNDS

Brnyderi sits on an impressive and substantial plot totaling 0.4 acres. Approached off the main road into Peterston-Super-Ely, onto a large gated driveway providing off-road parking for several vehicles. This in turn leads to the detached double garage with electric roller doors and workshop within, plus hobbies room/office/gym above accessed via an external spiral staircase. The garage itself was re-built in 2000 to a high spec with stone cladded walls and full power supply.

The full enclosed, mature lawned front garden features a winding footpath leading to the front door with planted borders, filled with colourful foliage. This wrap-around plot is centred around the lawn with wildflower area, and offers a variety of mature fruit trees, to include apple and cherry, evergreen shrubs, rose bushes and wisteria. Within the garden are flagstone and cobbled patio areas, ideal to entertain and for al-fresco dining. Several outbuildings to remain to include; a quality 'Accoya' timber greenhouse to the south-aspect with summer seating pod, and to the rear is a large purpose-built wood store with adjoining recycling store and separate timber storage shed, plus outside WC and tool store.
