Summary of Accommodation

ABOUT THE PROPERTY

Situated on this popular residential development, within easy walking distance of the town centre and its excellent range of schools, shops and everyday amenities, this impressive five-bedroom detached family home offers spacious and versatile accommodation arranged over two floors.

The property is well presented throughout, with neutral décor providing a blank canvas for the new owner. The entrance door opens into an inviting hallway, where a central staircase provides an attractive focal point. There is a useful cloakroom with adjacent cloaks cupboard, while glazed doors lead into the spacious dual-aspect lounge. A feature fireplace provides a focal point, with French doors opening onto the rear garden and a box bay window overlooking the front.

Adjacent to the lounge is a study/playroom, while further along the hallway is the formal dining room, which leads seamlessly into the conservatory. Both rooms enjoy access to the garden and a private outlook. The conservatory, a more recent addition to the property, benefits from part-stone flooring and an abundance of natural light.

Completing the ground floor is the generous kitchen/breakfast room, offering ample space for a dining table and chairs. The kitchen is fitted with Shaker-style wall and base units, a central island with space for bar stools and includes a freestanding gas cooker. Access is provided into the conservatory, creating an excellent flow for entertaining.

The kitchen also connects to the former double garage, now converted to create an exceptionally generous additional reception room. With front and rear-facing windows, this versatile space could be used as a family room, playroom or additional sitting room. A useful utility room houses the gas boiler and provides access to the rear courtyard.

To the first floor, a spacious central landing features a laundry cupboard and front-facing window. There are five well-proportioned double bedrooms, including a principal bedroom with built-in wardrobes and en-suite bathroom, together with a guest bedroom benefiting from its own en-suite shower room. Three further bedrooms are served by the spacious three-piece family bathroom.

Total area: approx. 262.9 sq. metres (2829.8 sq. feet)

GARDENS AND GROUNDS

14 Great House Meadows benefits from a private, enclosed rear garden, well sheltered by mature trees and established foliage, creating a good degree of privacy. The garden is predominantly laid to shingle and paving, offering a low-maintenance blank canvas for the new owner to personalise and enjoy. A timber garden shed will remain.

Gated access leads around to the front of the property, where a generous driveway provides parking for up to three vehicles. The driveway is approached via a shared access with two other neighbouring properties.
