## Summary of Accommodation

### About the Property

Steeped in history and bursting with character, Church Hall House is a truly unique Grade II listed home located in the heart of the charming village of St Nicholas. Once the local church hall, this special property has been thoughtfully converted to retain its original features while offering comfortable modern living.

Step through the striking original church hall doors into a spacious porch, complete with built-in shoe storage. The welcoming hallway leads into a bright and airy living room, where natural light pours in and highlights the beautiful original herringbone wood flooring.

A second sitting room offers a cosy retreat and features a working fireplace—ideal for relaxing evenings. There's an additional versatile reception room which would make an excellent playroom, formal dining area, or home office. A well-appointed downstairs bathroom includes a three-piece suite with a bath.

The kitchen is full of rustic charm, with a beautiful stone floor that flows into the adjacent pantry space. It comes equipped with an integrated fridge and separate freezer, a single oven, and a gas hob. A rear access door leads directly to the garden.

Upstairs, a galleried landing with a Velux window brings in plenty of natural light. The home offers three generous double bedrooms, all tastefully decorated. Two of the rooms feature fitted wardrobes, while the principal bedroom boasts an impressive addition: a home infrared sauna, which is included with the sale.

## Garden & Grounds

To the rear of the property is a private tiered lawned garden, surrounded by mature trees offering a sense of peace and seclusion. Two garden storage areas provide practical space for tools and outdoor equipment. The rear garden is perfect for entertaining or simply enjoying a moment in nature.
