## Summary of Accommodation

### SITUATION

Llanblethian has long been regarded as one of the Vale of Glamorgan's foremost residential areas offering as it does a very pretty village-style setting with a combination of individual old and new houses and narrow winding streets. The Market Town of Cowbridge is adjoining and offers an excellent range of individual shops, boutiques, restaurants, pubs and cafes and is home to a centrally positioned Waitrose store. Further services include a health centre, leisure centre, various sporting clubs, public library and Old Hall Community Centre. There are also local primary and secondary schools within the town itself.

### ABOUT THE PROPERTY

9 Church View is an immaculate, three bedroom bungalow in an elevated position, close to the Church, and enjoying very pleasant views over the edge of the village onto farmland beyond.

An entrance porch with useful cloaks cupboard leads to the lounge and to the kitchen.

The principal lounge-dining room is a sizeable space, comfortably fitting a suite and generous dining set, fitted with laminate wood flooring. A broad picture window looks over the front and there is an electric fire with marble hearth which provides a focal feature. The kitchen looks to the side elevation and across the garden with access out, and includes a good range of high-gloss units with butchers-block effect work surface and breakfast bar space. On offer and to remain is an integral induction hob, with double oven and separate grill. Space and plumbing for a washing machine and fridge/freezer (available by separate negotiation).

From the oak-laminate floored inner hallway, doors lead to the modern family bathroom and to three bedrooms. There is also a large airing cupboard and a loft hatch which provides access to a boarded attic space with pull-down ladder and houses the gas-combi boiler. The larger two double bedrooms look over the rear garden, with wardrobes to remain. All bedrooms share use of the family bathroom with 3-piece suite to include an electric power shower over bath.

## GARDENS AND GROUNDS

To the head of the cul-de-sac at Church View, a long concrete driveway runs down past a paved frontage with parking for two cars. This, in turn, leads to an electrically-operated shutter door into the garage offering full power supply (approx max measurements 5.3m x 2.8m). An adjacent gate leads into the rear garden.

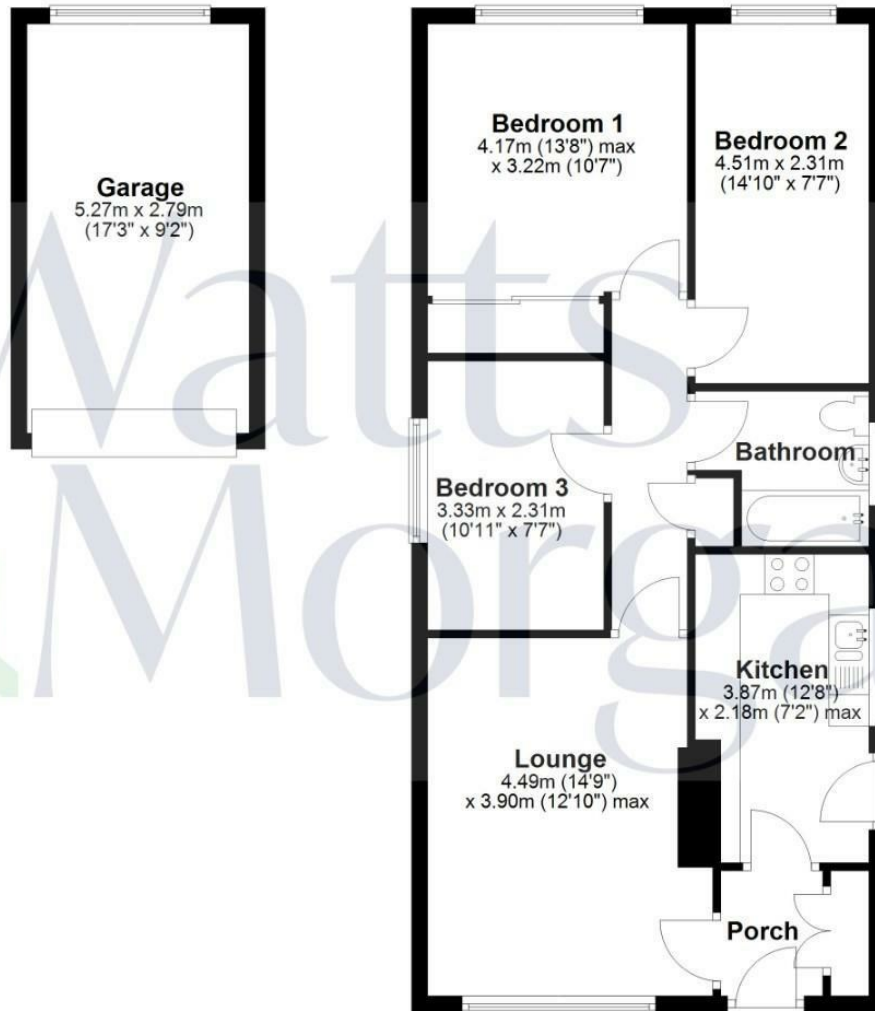

To the rear of the property is a sheltered, enclosed garden including large paved seating area and a gently sloping lawned area. This south-facing large corner plot is a lovely space to relax and enjoy, with Church views and provides a good degree of privacy. There is a timber gate which also leads out to the front of the property.
