## Summary of Accommodation

### About the property

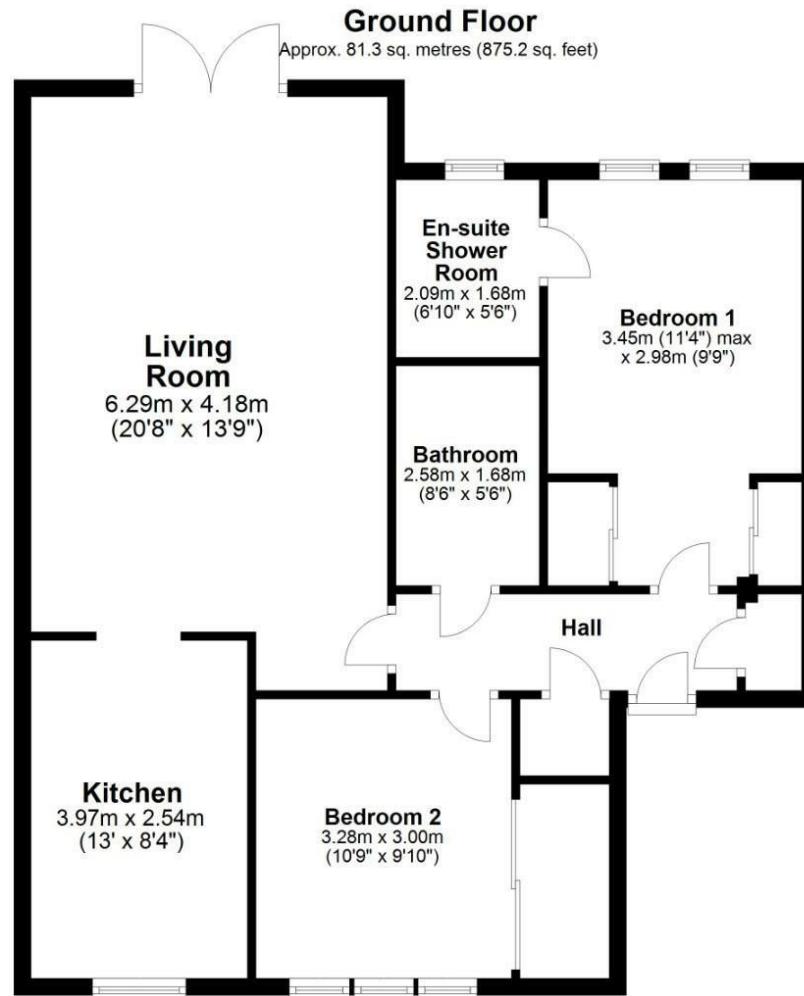

Within this much sought after development, 23 Western Courtyard is a ground floor apartment with accommodation all on one level and with direct access to its own patio garden. It has been upgraded in recent years and provides immaculate, move in ready home. From a ground floor entrance lobby area, a hallway has doors leading initially to the bedrooms and the family bathroom; and then continuing to the living room with kitchen beyond. The living room is a great, large multi-purpose space with plenty of room for sitting and for a dining table. Broad French doors open to a flagstone paved patio area - solely for the use of 23 Western Courtyard – with The Manor gardens beyond. Accessible from the living room is a neat kitchen fitted with a comprehensive range of storage units with granite work surfaces atop. Appliances are to remain, including a Neff 4 burner gas hob, electric oven, microwave and fully integrated washing machine, fridge and freezer. A wine cooler is to remain, behind which are plumbing points for a dishwasher.

The principal double bedroom looks onto the communal grounds and has a built-in dressing area with fitted wardrobes while the bedroom itself includes further fitted storage. It has its own contemporary en suite shower room. A second double bedroom also has wardrobe provision and looks into “the courtyard”. The contemporary bathroom includes a bath with shower over. The hallway includes two further storage cupboards.

## Garden & Grounds

No 23 has direct access to its own patio area, accessed directly from the living room. This generous, flagstone-paved space looks onto the extremely well tended communal lawns and gardens beyond. It is screened from the same by mature waist-high hedging with a timber gate allowing direct entry from the paths. The patio is a larger than expected space, ideal for catching the sun throughout the day.

Within Western Courtyard each property has its own allocated parking space; there are also numerous designated visitor parking spaces. Owners enjoy shared use of the parkland setting including extensive lawned and woodland gardens, lake walks, barbecue area etc. Owners also have use of certain rooms within Talygarn House, including a snooker room and library.
