Summary of Accommodation

About the property

No.23 Clos Ffawyddden is a modern, mid-terraced home built at about the start of the Millennium. The accommodation has been well maintained and is in move-in ready order, ideal for first time buyers, young family or investor. Entrance porchway leads to the living room from which stairs lead to the first floor and a doorway leads into the kitchen/dining room. From the living room, a window looks to the front elevation and there is a neat under-stairs store cupboard. The kitchen/diner runs the width of the rear of the property with a window looking out over the garden; double doors open to the same. Kitchen itself features a good range of storage units with appliances, where fitted, to remain including electric oven, gas hob, fully integrated fridge, freezer, slimline dishwasher and washer/dryer.

To the first floor the landing area has doors leading to both bedrooms and to the family bathroom. The largest double is a generous room sitting to the front of the property and including a deep store cupboard/wardrobe. A second spacious single overlooks the rear garden. Both these bedrooms share use of a stylish, contemporary bathroom with shower over bath.

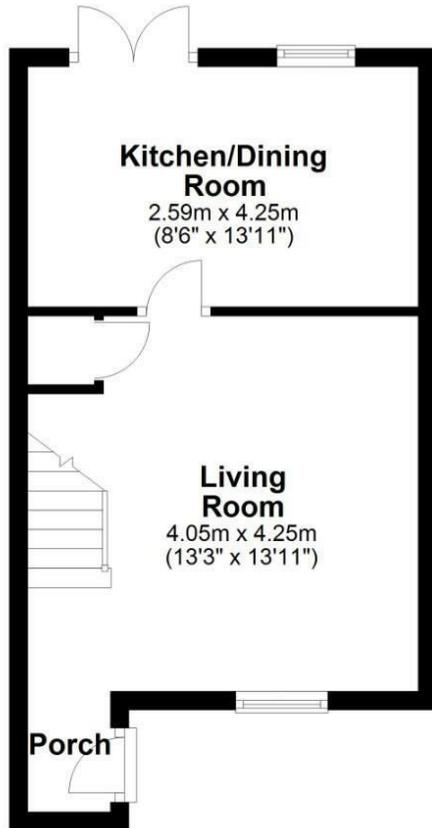

Additional information

Freehold. All mains services connect to the property. Gas-fired central heating. Council tax: Band D

Garden & Grounds

Located close to the far end of this cul-de-sac, there are two off-road parking spaces fronting the property. A path leads from here through a slate-chipped front garden to the principal entrance doorway. The path itself skirts around a particularly neat store cupboard, ideal for bins, boots, etc. To the rear of the property is an enclosed and sheltered low maintenance garden positioned to enjoy a sunny southerly aspect. From the dining area, double doors open to a decked seating area which leads, in turn, onto a central astro-turf lawn edged, in part, by slate chipped beds. Planted raised beds partially divide the lawn from a second generous decked seating area to the far end of the garden, neatly sheltered beneath wonderfully mature oak trees and enjoying views, through the trees, onto paddock

Energy Efficiency Rating		Current	Potential
Very energy efficient - lower running costs
