Summary of Accommodation

About the property

Plasnewydd Walk is on the Heritage Gate Development, a popular site to the northern edges of Llantwit Major. No. 9 is a modern, mid terraced house benefitting from having a south facing garden to the rear. The ground floor hallway features a cloakroom to one side and staircase leading to the first floor; a further door from the hallway opens to the family lounge. The lounge is to the very heart of the house with window over-looking the front of the property and a neat door opening to under-stairs storage area. An additional door opens to the kitchen/diner. Running the width of the rear of the property this kitchen/diner includes a good run of storage units with oven and hob to remain; space remains for a washing machine/dishwasher and also for a tall fridge/freezer. One wall cupboard conceals the gas 'combi' central heating boiler. Space remains for a dining table with double doors opening from the dining area to the rear garden.

To the first floor are two double bedrooms, the larger bedroom enjoying a southerly aspect over-looking the rear garden and over the Bridgend-to-Llantwit railway line with fields beyond. The second double bedroom looks to the front and features its own store cupboard. Both these two bedrooms flank a central bathroom with shower over bath.

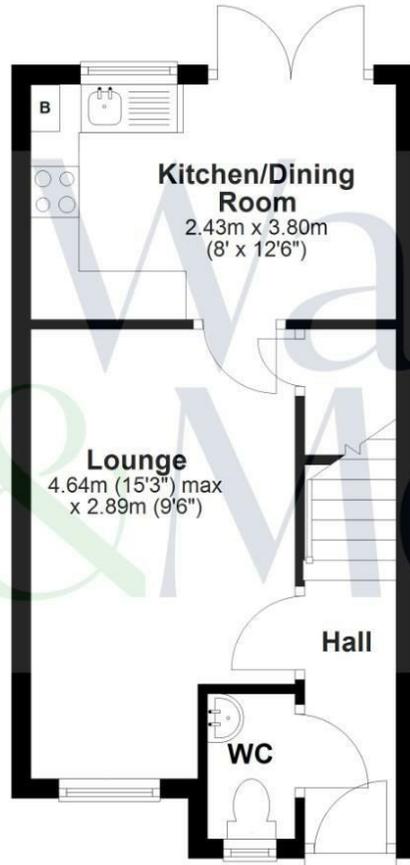

Additional information

Freehold. All mains services connect to the property. Gas fired 'combi' central heating. Council tax: Band C

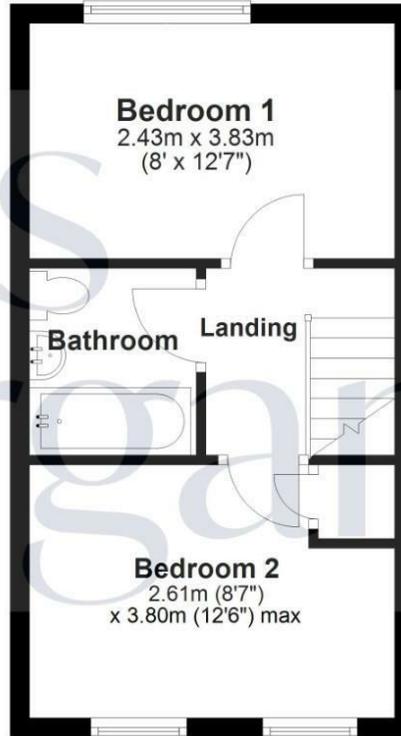

Ground Floor

Approx. 29.3 sq. metres (315.1 sq. feet)

First Floor

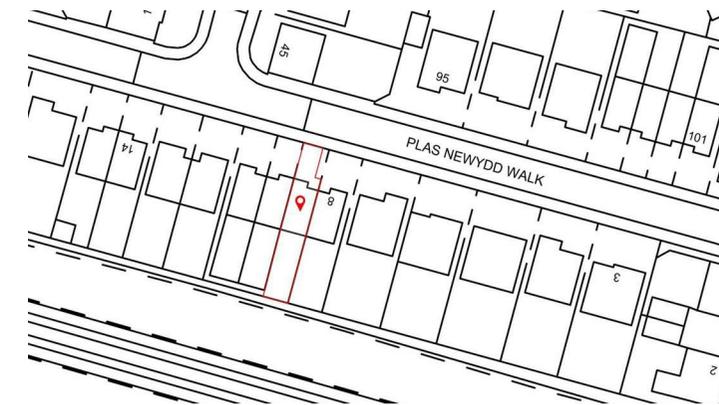

Approx. 27.2 sq. metres (293.2 sq. feet)

Total area: approx. 56.5 sq. metres (608.4 sq. feet)

Garden & Grounds

From Plasnewydd Walk, a drop-down kerb leads onto a parking space solely for use of no. 9; an adjacent path runs to the front door. To the rear of the property is a south facing garden catching the sun throughout the day. A timber decked seating area is immediately adjacent to the property accessed from the kitchen-diner. This leads onto a larger 'Astroturf' lawn and beyond which is a timber shed (approx. max. 3.5m x 2m) with power connected. Beyond the shed is an extra storage area while a gated entrance opens to a pedestrian path shared with two neighbouring properties giving rear lane access.

Energy Efficiency Rating		Current	Potential
Very energy efficient - lower running costs			
(92 plus) A			97
(81-91) B		83	
(69-80) C			
(55-68) D			
(39-54) E			
(21-38) F			
(1-20) G			
Not energy efficient - higher running costs			
England & Wales		EU Directive 2002/91/EC
