Summary of Accommodation

ABOUT THE PROPERTY

The village of St. Nicholas is located midway between Cardiff and Cowbridge with Westways located to its very heart - within yards of the village green and a short stroll away from the new primary school.

Understood to date from the 1870s, the property has been modernised and offers deceptively spacious family accommodation.

To the centre of the house is an impressive, light filled hallway from which a staircase leads to the first floor and doors lead to all the reception rooms. An additional door opens to a cloaks cupboard and a further door to a ground floor WC.

The largest living room is a good size family lounge looking to the front of the property including a period style feature fireplace flanked, to one side, by a shelved alcove ideal for books and display. A second living room also looks to the front elevation and includes a working wood burner recessed within a chimney breast.

The kitchen/dining space is a quite superb area including a bespoke "Adam Elliot" handcrafted kitchen with a great range of fitted units, granite work surfaces and matching oak-topped island unit/breakfast bar. Appliances, where fitted, are to remain and include a Rangemaster range cooker and an integral dishwasher; a freestanding American style fridge/freezer is to remain by negotiation. Also, an amazing double-opening larder with granite cold shelf and oak shelving. There remains within the kitchen ample room for a family sized dining table. A neat utility room adjacent to the kitchen has space / plumbing for a washer and a dryer; a door leads to the rear garden space.

To the first floor the landing area has doors leading to all four bedrooms and to the family bathroom.

The largest, principal bedroom is a dual aspect room with windows to the front and rear elevations. It includes an en suite shower room and separate dressing room. A second generous double also has its own en suite shower room. The third bedroom is a good double while the fourth is a single, currently used as a home office. These two bedrooms share use of the family bathroom.

GARDENS AND GROUNDS

Westways is set to the very heart of the village, within yards of the village church and a short stroll from the Primary School.

Approached from the village green, a broad gated entrance leads onto the flint chipped driveway with space for two/three cars. From here, a path runs through a lawn with steps leading to a sizeable paved patio seating area and to the principal entrance doorway. Also, a useful store accessed from the garden.

The lawned garden to the rear is edged by walling, fencing and mature shrubs, providing excellent screening. The paving continues to one side of the property leading to a further paved seating area to the front of the property beyond which is a lawn with vegetable beds to one side. A stone wall and hedge screens the front garden from the roadway fronting the property. A gated entrance opens on to a path which runs to the original front door of the property.
