Summary of Accommodation

About the Property

This charming four-bedroom detached home is set within the peaceful village of Trerhyngyll, offering an ideal blend of character and modern comfort. On arrival, a welcoming hallway leads into the spacious open-plan living and dining room, where exposed stonework, beams, and high ceilings create warmth and charm. A multi-fuel burner with a striking exposed stone fireplace anchors the living area, while the dining space features an electric fire, both complemented by wood flooring throughout. French doors open directly to the rear garden, drawing in natural light and providing seamless indoor-outdoor living.

The cottage-style kitchen is fitted with a Belfast sink, integrated dishwasher, integrated fridge and freezer, and has direct access to both the rear garden and a side pathway leading to the garage. A range oven is available by separate negotiation. The attached single garage, currently used as a utility and storage space, offers flexibility for future use.

The ground floor also includes two versatile bedrooms: a fourth bedroom, currently arranged as a home office with French doors to the garden, and a generous third bedroom, also benefitting from direct access outside. A family bathroom with bath and separate shower completes the ground floor.

Upstairs, the second bedroom enjoys French windows and a Velux skylight, ensuring an abundance of natural light. The impressive master suite is a true highlight, with French windows overlooking open countryside, and a private en suite shower room.

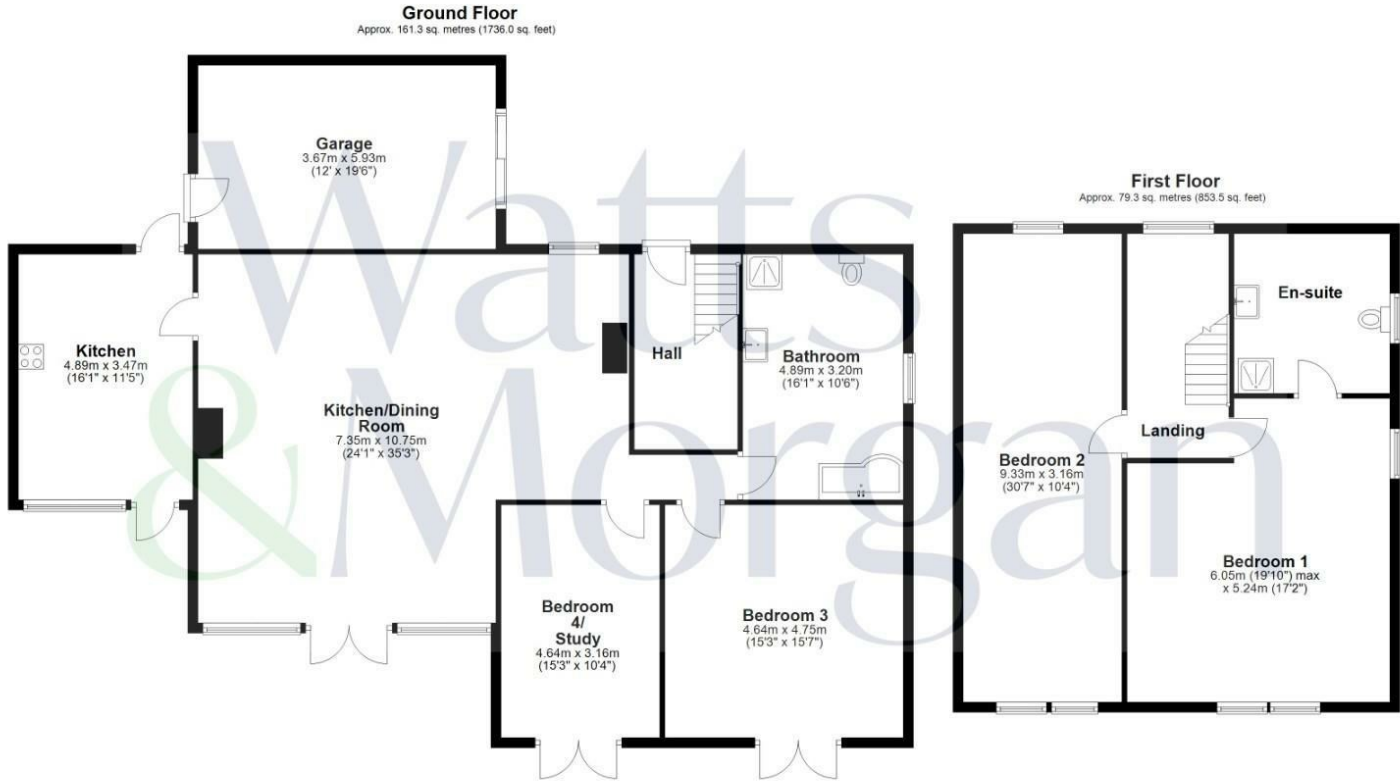

Garden & Grounds

The property is approached via a driveway with ample off-road parking and an attached single garage. A covered walkway extends along part of the drive to the front door, providing sheltered access. The wraparound garden is a delight, with a mix of mature trees, blossoming flower beds, and a well-established herb garden, all designed to offer colour and interest throughout the seasons.

Practical features include a wooden garden shed, a convenient double power socket by the front gate, and a discreet side access area for bins and recycling. The rear garden provides wonderful private outdoor space with uninterrupted views across the neighbouring countryside, ideal for both family living and entertaining.
