Summary of Accommodation

About the property

St. Osyth Court is a striking development of apartments, understood to have been constructed in the mid to late 1970's. All these privately owned apartments take great pride in their building and its grounds and, as such, offer a superb environment in a most desirable location, overlooking Romilly Park, Watchtower Bay and within easy reach of The Knapp and the Town Centre and its amenities. A central stairwell with lift access leads to the top floor where the Penthouse is located. From the lift, steps lead up to the apartment itself with this landing area being shared with one other. The apartment itself is an exceptionally spacious area of 1500sq.ft offering great accommodation yet with scope to improve if ever required. An entrance hallway has a door leading into a shower room/WC and to the fourth bedroom with one additional door leading into the principal living space. This exceptionally large area includes a dining area and an adjacent larger living space with sliding doors from the dining area opening to a balcony for the sole use of this apartment. Picture windows flood the living space with light and are ideal to enjoy the immense views. Adjacent to the dining area is a kitchen with a comprehensive range of fitted storage units with oven and hob to remain. It is understood there is an integrated dishwasher, fridge and space and plumbing for a washing machine/ dryer (none of these appliances tested or confirmed as working). To the far end of the living room, an inner lobby area gives access to the largest bedroom. This generous double room includes a great range of fitted storage including shelves, hanging space and drawers. This very large double room has its own en suite bathroom with bath and separate shower cubicle. The second bedroom is also a double with fitted wardrobes and its own en suite bathroom. Bedroom three occupies a corner spot with views over Romilly Park and could, if ever required, be used as an additional sitting room. The fourth bedroom – also a good double bedroom – is accessed from the entrance hallway and has most recently been used as a study.

Total area: approx. 146.9 sq. metres (1581.1 sq. feet)
