Ground Floor

Entered via wooden doors into a porch benefitting from concrete flooring and a wall-mounted alarm panel. A second partially glazed wooden door with a glazed side panel leads into the spacious and welcoming hallway/sitting room which enjoys wood block parquet flooring, picture rails, a central feature log burner, a carpeted wooden staircase with understairs storage leading to the first floor and a double-glazed wooden window to the rear elevation.

The spacious living room benefits from carpeted flooring, a central feature log burner with a wooden surround and a tiled hearth, two double-glazed wooden windows to the front elevation, a bay window with six double-glazed wooden windows to the side elevation and a set of glazed French doors providing access to the garden room.

The garden room enjoys tiled flooring, a range of wall-mounted storage cabinets, a double-glazed wooden window to the side elevation and a set of single-glazed wooden French doors with single-glazed side panels providing access to the rear garden.

The cloakroom serving the ground floor accommodation has been fitted with a 2-piece white suite comprising; a corner wash hand basin and a WC. The cloakroom further benefits from wood block parquet flooring, partially tiled splash-back and a feature double-glazed wooden round window to the front elevation.

The study is a versatile space and benefits from carpeted flooring, picture rails, a central feature fireplace, a range of wall-mounted storage cabinets and a double-glazed wooden window to the front elevation.

The dining room enjoys solid wood flooring, a central feature fireplace with a wooden surround and a slate hearth, picture rails and a bay window with custom window seat with five double-glazed wooden windows providing views over the garden.

The kitchen/breakfast room enjoys stone tile flooring, recessed ceiling spotlights, two double-glazed wooden windows to the side elevation and a set of single-glazed wooden French doors with single-glazed side panels providing access to a rear patio.

The kitchen showcases a range of wall and base units with granite work surfaces. Integral appliances to remain include; a gas Aga, a 'Smeg' 5-ring gas hob with a 'Hotpoint' extractor fan over. Space and plumbing has been provided for freestanding white goods. The kitchen further benefits from matching granite upstands, a breakfast bar overhang, two double-glazed wooden windows to the rear elevation and a double-glazed wooden door with double-glazed windows providing access to the central courtyard.

The utility room has been fitted with a range of wall and base units with roll top laminate work surfaces. Space and plumbing has been provided for freestanding white goods. The utility room further benefits from continuation of stone tile flooring, a stainless steel bowl and a half sink with a mixer tap over, a loft hatch providing access to the loft space, recessed ceiling spotlights and two double-glazed wooden windows to the rear/side elevations.

The second cloakroom has been fitted with a 2-piece white suite comprising; a floating wash hand basin and a WC. The cloakroom further benefits from continuation of stone tile flooring and a double-glazed wooden window to the side elevation.

The boot room has been fitted with a range of wall and base units with roll top laminate work surfaces and further benefits from continuation of stone tile flooring, a loft hatch providing access to loft space, recessed ceiling spotlights, three double-glazed wooden windows and a wooden door providing access to the central courtyard.
