## Summary of Accommodation

### Ground Floor

Entered via a partially glazed composite door with obscure double glazed side panels into a spacious, welcoming hallway enjoying engineered wood flooring, decorative cornice detailing, recessed ceiling spotlights and a carpeted open staircase leading to the first floor with an understairs storage cupboard.

The spacious living room benefits from carpeted flooring, recessed ceiling spotlights, decorative cornice detailing, a double sided log burner with a slate hearth, a uPVC double glazed window to the side elevation and a uPVC double glazed box bay with a set of double glazed French doors providing access to the rear garden.

The dining room enjoys engineered wood flooring, recessed ceiling spotlights, decorative cornice detailing and a uPVC double glazed bay with a set of French doors providing further access to the rear garden.

The kitchen has been fitted with a range of wall, base and tower units with silestone work surfaces. Integral 'AEG' appliances to remain include; an electric oven, an electric combination microwave/grill with a warming drawer, an induction hob with a ceiling mounted extractor fan over, a dishwasher and a drinks cooler. Space and plumbing has been provided for freestanding white goods. The kitchen further benefits from wood effect ceramic tile flooring, matching silestone upstands, a feature glass splashback, recessed ceiling spotlights, a 'Zip' instant boiled water tap, a wooden breakfast bar built into the island unit, two uPVC double glazed windows to the front elevation and a set of uPVC double glazed French doors providing access to the terrace.

The utility room has been fitted with a range of floor and tower units with laminate work surfaces. Space and plumbing has been provided for freestanding white goods. The utility room further benefits from continuation of wood effect tile flooring, a composite sink with a mixer tap over, ceiling spotlights and two uPVC double glazed windows.

The rear lobby benefits from continuation of wood effect tile flooring, a recessed storage cupboard with sliding doors, recessed ceiling spotlights, a floor mounted 'Ideal' boiler, a wall mounted alarm panel and partially glazed uPVC door providing further access further to the front elevation.

The snug enjoys carpeted flooring, decorative cornice detailing, a range of bespoke fitted storage units and a uPVC double glazed sliding door with double glazed windows providing access to the garden.

The study is a versatile space benefiting from engineered wood flooring, recessed ceiling spotlights, decorative cornice detailing and a uPVC double glazed box bay window to the front elevation.

The cloakroom serving the downstairs accommodation has been fitted with a 2-piece white suite comprising; a floating wash-hand basin and a WC. The cloakroom further benefits from partially tiled walls, decorative cornice detailing and an obscure uPVC double glazed window.

### First Floor

The spectacular landing enjoys carpeted flooring, a recessed storage cupboard housing the hot water cylinder, recessed ceiling spotlights, decorative cornice detailing and a hatch providing access to the loft space.

Total area: approx. 340.1 sq. metres (3660.8 sq. feet)
