### ABOUT THE PROPERTY

Located to the centre of Ystradowen village within yards of the Parish Church and village pub, Church Farm is an extremely generous property that must be viewed for the extent of the living and bedroom accommodation to be most fully appreciated. In more recent years, the property has been stylishly updated to provide modern convenience coupled with the character and charm of a period home. To the ground floor, three principal reception rooms look out over the south-facing garden while a fourth, family sitting room is to the rear of the property. To the heart of the home is an open-plan, luxurious kitchen-breakfast room with granite worktops, matching central island and a great range of fitted storage cupboards. A traditional two-oven gas fired Aga and additional appliances, where fitted, are all to remain including: electric oven and hob and integrated dishwasher. The kitchen looks out over, and has doors opening to, two courtyard areas and also links through to the extra accommodation in the Barn, a possible annex.

To the first floor are six double bedrooms and a contemporary family bathroom with feature bath - a unique, double ended slipper bath. The principal bedroom has an en suite bathroom and a balcony area to the western elevation; a second en suite bedroom also has a walk-in dressing room. The fourth bedroom includes a paddle-type staircase to a mezzanine area with store room.

Ancillary accommodation has been created from the integral Barn and offers further space including, to the ground floor: a double bedroom and walk-in wardrobe; a bathroom with bath and separate shower; a laundry area and a sitting / dining space. To the first floor is a wonderful recreation room over 14m long which would lend itself to many and varied uses.
