The property is approached via two off-road parking spaces, setting a welcoming first impression. Upon entering, a practical entrance hallway provides access to the main living areas and stairs rising to the first floor.

The generously sized sitting room is positioned to the front of the property and offers a comfortable yet stylish space to relax, with ample room for a full suite of furniture and a natural flow through to the remainder of the ground floor.

To the rear, the former garage has been cleverly converted to create a spacious kitchen/diner, now the true heart of the home.
