THE PROPERTY

Positioned on the edge of Coopers Edge, with an attractive outlook towards greenery and established trees, this three bedroom semi-detached home offers a lovely balance of modern living and outdoor space. With a stylish kitchen/diner, enclosed rear garden, driveway parking and a garage, it is an excellent option for those looking for their first home or the next step up.

The entrance hallway provides access to a useful downstairs cloakroom and leads into the spacious kitchen/diner. Contemporary shaker-style units are complemented by contrasting worktops and patterned splashbacks, with plenty of storage and room for a dining table. This sociable space is ideal for everyday family life or entertaining friends.

A separate living room stretches across the rear of the property, offering generous space to relax, with French doors opening onto the garden and creating a natural connection between indoors and out.

Upstairs, there are three bedrooms, including a generous principal bedroom with its own en-suite shower room. The remaining bedrooms are served by a family bathroom, with the third bedroom also offering flexibility as a nursery, dressing room or home office.

Outside, the enclosed rear garden has been thoughtfully arranged with a central lawn, raised planted borders and a paved seating area, perfect for summer dining or enjoying a quiet coffee. A personal door provides convenient access to the garage, while the driveway alongside the house offers off-road parking.
