Their workmanship and eye for detail make each and every House they build, somewhere you will be proud to call your Home.

THE PROPERTY

This brand new executive detached House is tucked away in a quiet traffic free location on the sought after Crown Estate, within walking distance of the Railway Station and the town centre. The high end finish is visible on inspection and includes features such as underfloor heating under porcelain tiles throughout the ground floor, a Valmora Italian fitted Kitchen with Bosch appliances and granite worktop surfaces.

This House offers true open plan living space with a superb 25' x 22' Living Room/Kitchen and dining space benefitting from full width bifold doors that open onto a paved Patio with porcelain tiles that flow seamlessly from the Living Room/Kitchen. In addition, there's a Cloakroom/WC, utility room and another Reception Room that could be used as a Study/Playroom or even a Snug. On the 1st Floor, there are 4 Bedrooms, all are doubles and as you'd expect, the en-suite to the Master Bedroom and the Family Bathroom are both finished to an exceptionally high standard.

Outside and to the front are landscaped Gardens and a block paved driveway leading to a car port with car charging EV points. The landscaped back gardens are South facing and provide far reaching views towards the Hogs Back. Within walking distance to very well regarded Nursery and Junior Schools.

SITUATION
