

34 Redan Road

Aldershot, GU12 4ST

Offers In Excess Of £285,000

It may sound cliché, but this is genuinely a home that is much larger than it first appears from the front. The property offers a unique layout and has been tastefully decorated throughout, with a nice finish in both the kitchen and bathroom. Additional benefits include gas central heating and double glazing throughout.

The ground floor offers three reception areas, beginning with a spacious and welcoming entrance hall with ample storage space and a turning staircase leading to the first floor. There is a cosy snug area, ideal for relaxing, which leads through to a galley-style kitchen. From here there is also access to a downstairs cloakroom/WC, where there may be potential to incorporate a shower room if desired. The accommodation continues into a dining room, although this is a versatile space and could easily be adapted to create a separate office or study if required. Doors from this area lead directly out to the rear garden. On the first floor there are two well-proportioned double bedrooms, along with a generous family bathroom off the bedroom which includes a separate shower cubicle.

Outside, the garden has been designed with low maintenance in mind and provides a peaceful space to enjoy, with a lawn area and decked seating area.
