The property is set in a highly desirable location with excellent public transport links providing regular services into the City. The road is just moments from areas of natural beauty, including expansive open green spaces and riverside walks, home to an abundance of wildlife.

To the front, a block-paved driveway (completed approximately two years ago) provides off-street parking and leads into a bright and welcoming entrance hallway with access to the ground floor accommodation. The impressively proportioned family living room features large windows that flood the space with natural light and flows seamlessly into the extended dining area. Additional ground floor benefits include a utility cupboard, downstairs WC, and a door opening onto the rear garden, which in turn provides access to the garage. The garage is equipped with power, lighting, and its own fuse box. The kitchen offers a range of wall and base units with space for appliances.

The first floor comprises three well-proportioned double bedrooms, two of which benefit from fitted wardrobes, along with a modern refitted family bathroom. The combination boiler was installed approximately three years ago. Call now to secure a viewing!
