DETACHED FOUR-BED FAMILY HOME | SOUGHT-AFTER ALLESLEY LOCATION | NO UPWARD CHAIN | CORNER PLOT WITH EXTENSION POTENTIAL

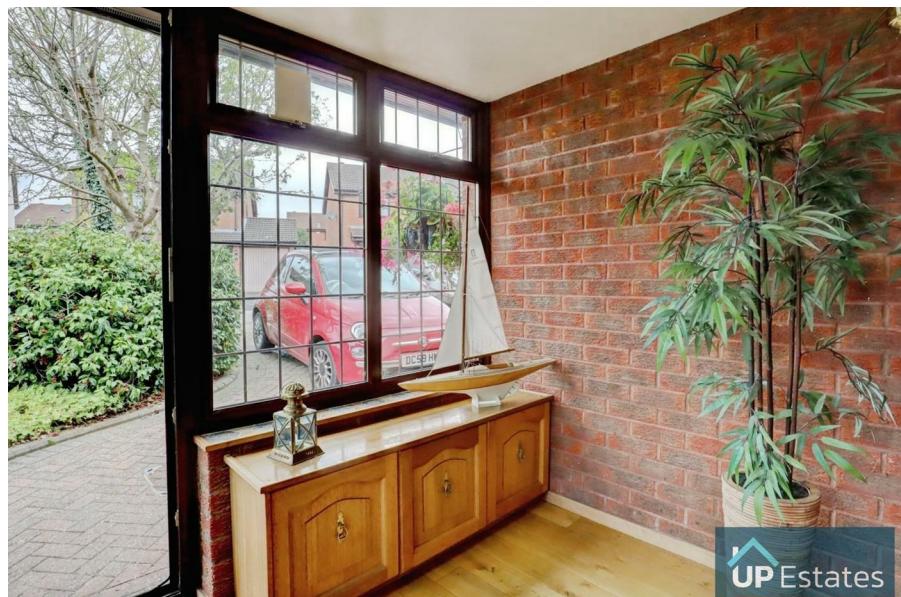

Tucked away on a peaceful corner plot just off Park Hill Drive, this impressive four-bedroom detached family home sits in one of Coventry's most desirable residential areas. Perfectly placed for family living, you'll find Allesley Park only a short stroll away, highly regarded schools close by, and excellent road links via the A45 to Birmingham, the airport, and the motorway network—making this location ideal for both work and leisure. The home itself offers both modern living space and exciting future potential, with scope for extension (subject to planning).

The ground floor was tastefully renovated six years ago and provides a welcoming layout, including a bright living room with double doors to the dining room, a modern fitted kitchen with stable door to the side, and a conservatory overlooking the beautiful rear garden. Additional features include a downstairs WC, a separate utility room, and access to a large garage with electric door, power and lighting.

Upstairs, there are three generous double bedrooms and a good-sized single, with the main bedroom enjoying its own en-suite shower room. A family bathroom and an electric loft ladder giving access to a fully boarded loft space add further practicality.

Security and peace of mind are taken care of too, with a comprehensive alarm and CCTV system covering the entire house. Outside, the property continues to impress with a beautifully maintained rear garden, a neat front garden, and a driveway providing parking for multiple vehicles.

With no upward chain and set in the heart of Allesley, this is a rare opportunity to secure a family home that is ready to enjoy immediately, while offering the space and flexibility to grow with your needs.
