OUTSIDE

To the front of the property is a paved driveway with space for 2 cars and access to the garage. There is potential to create an extensive driveway with the removal of the front garden. There is also potential to extend to the side of the property (stpp).

To the rear of the property is a beautifully maintained and generously sized rear garden, offering a wonderful balance of lawn and landscaped features. The garden enjoys a high degree of privacy and is bordered by mature trees, established shrubs, and well-stocked planting beds. A paved patio area provides an ideal space for outdoor seating and entertaining, centred around an attractive ornamental water feature, adding charm and character to the space. The garden is fully enclosed with fenced boundaries and benefits from side access, making it both practical and secure. Overall, this is a delightful outdoor space perfect for relaxing and enjoying throughout the seasons.
