

HYDRA HYDRA MIDVILLE LANE BOSTON, PE22 8DW

£860,000
FREEHOLD

Hydra is a substantial six-bedroom detached family home extending to nearly 3,000 sq ft, set within approximately 3.107 acres (sts) of formal gardens and paddocks in a peaceful rural position near Stickney. Freshly decorated throughout with new carpets and a modern refitted bathroom, the property offers spacious and versatile accommodation including three reception rooms, a study, kitchen with utility, en-suite principal bedroom, integral double garage, timber outbuildings, and a characterful Clearview multi-fuel stove. To the rear, a rare and valuable fully consented Class Q development provides planning permission for the conversion of three agricultural buildings into seven residential dwellings (totalling 776.9 sq m / 8,363 sq ft) with one barn approved for demolition. With established access, a Flood Risk Assessment completed, and the majority of the site within Flood Zone 1, this represents an exceptional opportunity for immediate occupation combined with significant long-term development, investment, or resale potential in an attractive Lincolnshire countryside setting.

Landing

Three reception rooms offer versatile living and entertaining space, while six bedrooms provide generous family accommodation. Formal gardens and paddocks extend to approximately 3.107 acres (sts), complemented by timber outbuildings and an integral double garage.

Hydra is located approximately one mile from the A16 and the village of Stickney, offering excellent access to local amenities, including a highly regarded secondary school, an Ofsted 'Good' rated primary school, and a modern doctors' surgery and primary care unit.

The Development Opportunity

To the rear of Hydra lies a significant additional asset: fully consented residential development land. Planning permission has been granted under Class Q for:

Conversion of three agricultural buildings into seven residential dwellings

Demolition of one redundant barn

Total approved floorspace: 776.9 sq m (8,363 sq ft)

The consented scheme allows for a courtyard-style development with established vehicular access from Midville Lane. The site offers excellent potential for phased delivery, investment, or resale, and represents a rare opportunity to acquire a substantial property with both immediate occupation and long-term development potential.

Accompanying documentation, including approved plans and Flood Risk Assessment, is available upon request.
