scope to modernise

Summary

Property Description

Situated in a sought-after residential location, this spacious three-bedroom detached home offers generous accommodation throughout and presents an excellent opportunity for buyers looking to modernise a property to their own taste. Having been well cared for over the years, the home is in excellent condition throughout and offers a solid foundation for its next owners.

The accommodation is entered via a welcoming entrance hall with stairs rising to the first floor. To the front of the property is a bright and spacious lounge, with double doors leading through to the separate dining room, creating an ideal layout for both family living and entertaining.

The kitchen enjoys views over the rear garden and is complemented by a useful pantry providing additional storage. A rear hallway leads to the downstairs WC, utility room and integral garage, offering excellent practicality for everyday life.

To the first floor are three well-proportioned bedrooms, including a generous principal bedroom and a spacious second double bedroom, together with a versatile third bedroom that would make an ideal nursery, home office or guest room. A family

bathroom and useful storage cupboard complete the first-floor accommodation.

The property benefits from oil-fired central heating and double glazing.

Externally, the property enjoys a large driveway providing ample off-road parking and access to the integral garage. The enclosed rear garden is mainly laid to lawn with a patio seating area, offering an ideal space for relaxing or entertaining, while gated access to both sides of the property adds further convenience.

Although the property would now benefit from cosmetic updating, it has clearly been exceptionally well maintained and offers purchasers the rare opportunity to create a modern family home without the need for major structural work. With its generous plot, spacious accommodation and excellent condition, this is a property that must be viewed to fully appreciate its potential.
