Location

Rollesby is a rural village in East Norfolk, located on the A149 just 8 miles North West of Great Yarmouth and has main road connections to the A47 towards Norwich 19 miles away and the A12 to Lowestoft. The village has a Primary School, village hall and park, a well-stocked farm shop, small business units and a nearby restaurant/cafe situated overlooking the water. Being located in the Norfolk Broads National Park, Rollesby Broad forms part of the collection of smaller interlink broads known as the Trinity Broads. These are perfect for fishing, sailing, birdwatching and remain isolated from the rest of the river system, so very peaceful and tranquil. Rollesby is very close to many coastal villages with great access to the seaside and the miles of beaches for dog walkers and families alike. Favourites include Winterton and Horsey for seal spotting during the winter months.
