## 14 Cotmer Road

Oulton Broad, Lowestoft, NR33 9PW

Aldred's are pleased to introduce this outstanding five-bedroom detached residence, set within one of Oulton Broad's most desirable locations. Just a short stroll from the Broads National Park and the railway station—with direct links to Ipswich and London—this home combines lifestyle, space, and connectivity in equal measure.

Well-presented throughout, the property offers a rare sense of scale and flexibility. From the moment you step into the striking entrance hall, the ceiling heights create an immediate feeling of light and volume. The ground floor features a spacious lounge, elegant formal dining room, and a welcoming rear sitting room. At the heart of the home lies a well-appointed open-plan kitchen/diner, thoughtfully designed for both everyday living and entertaining, complemented by a separate utility area.

A ground floor bedroom with ensuite, alongside an additional shower room, offers superb versatility—ideal for guests, multi-generational living, or the creation of a self-contained annex.

Upstairs, the impressive split-level galleried landing continues the theme of openness and scale, leading to four generously sized bedrooms. Three of which benefit from quality ensuite facilities, while the principal suite is further enhanced by a walk-in wardrobe. A well-appointed family bathroom completes the first floor.

Set on an expansive plot of approximately 0.44 acres, the property enjoys substantial front and rear gardens, plentiful off-road parking in addition to a large garage, and a high degree of privacy. There is also the added advantage of previously approved planning permission, presenting exciting scope for future extensions or development (subject to renewal).

Homes of this calibre, offering volume, elegance, and versatility in a highly sought-after setting, are rarely available. Viewing is essential to fully appreciate the space, light, and lifestyle this exceptional property provides.
