PROPERTY DESCRIPTION

Approached through brick entrance pillars, Half Acre immediately makes an impression with its broad block-paved driveway, established front lawn and mature boundary planting. The driveway sweeps towards the house and provides generous parking for several vehicles, while the property's position within its grounds creates a notably spacious and private feel.

The ground floor accommodation offers excellent flexibility. The dual aspect living room is a particularly generous reception room, complemented by a character fireplace, while a further lounge enjoys views and direct access onto the rear garden. A separate dining room provides a dedicated entertaining space, and an additional office is well suited to those working from home. At the heart of the house is a smart, contemporary fitted kitchen, finished with shaker-style cabinetry and extensive work surfaces. This is supplemented by a utility room, while a ground-floor WC adds further practicality.

Upstairs, the first floor landing serves four bedrooms. The accommodation benefits from en-suite facilities, with the remaining bedrooms served by the family bathroom.

Outside is where Half Acre particularly distinguishes itself. The extensive gardens are complemented by a single detached garage and a sweeping block-paved driveway providing ample off-road parking. The generous rear lawn stretches away from the house and is enclosed by mature hedging and established trees, creating an attractive green backdrop and considerable privacy. A paved terrace adjoining the property provides an ideal setting for outdoor dining and entertaining.

The combination of the substantial plot, mature setting and adaptable accommodation gives Half Acre considerable appeal as a long-term family home.
