PROPERTY DESCRIPTION

The ground floor has been extended and opened up to create a full open-plan layout, providing a bright and versatile living, dining, and kitchen space that works perfectly for modern family life. The kitchen and dining area sit to the rear and flow directly into the garden, making the most of natural light and creating an excellent space for entertaining. A cosy wood burning stove adds character and warmth while still fitting seamlessly within the open plan design. Upstairs, the property offers three bedrooms along with a family bathroom, making it a comfortable home.

Outside, the garden is a real highlight. Arranged over multiple tiers, it offers a sense of separation and variety rarely found with this style of home. The lower level provides a practical patio area directly accessed from the house, ideal for everyday use and entertaining. From here, steps lead up to a raised section, creating a distinct second garden area that feels almost like a hidden retreat. This upper level offers excellent versatility, whether used as a play area, seating space, or for keen gardeners looking for something a little different.

To the side, the property benefits from a driveway providing off-street parking, along with a large detached garage, offering excellent storage or workshop potential.
