EXTENDED FAMILY HOME WITH STUNNING REAR GARDEN & SUMMERHOUSE - A spacious, extended three-bedroom detached family home with a large landscaped rear garden and a substantial timber-framed summerhouse. The property occupies a delightful end-of-cul-de-sac position just off Willson Avenue, and this exceptional plot truly warrants inspection to fully appreciate its potential, including scope for further extension (subject to planning permission).

The property is well presented throughout and briefly comprises: an entrance hallway, a lounge with a bow window, an extended dining kitchen, a separate utility room, and a downstairs WC. Upstairs, the first-floor landing leads to three well-proportioned bedrooms and a four-piece family bathroom.

Externally, the property is set behind a driveway, complete with an EV charger, and a single attached garage. To the rear, the stunning enclosed garden features a paved patio, timber-decked seating areas, and an extensive lawn, along with a large timber-framed summerhouse incorporating a built-in bar.

The Detail

The property is entered via a welcoming hallway, which features two double-glazed windows either side of a secure uPVC front door, under-stairs storage, and a wireless alarm system. Internal engineered oak doors lead to the lounge and the dining kitchen.

The stylish lounge has a double-glazed bow window, a contemporary wall-mounted electric fire, and a TV point.

The spacious, extended dining kitchen is fitted with two-tone wall and base units, coordinating roll-top work surfaces, and tiled splashbacks. It includes a sink and drainer, induction hob with a feature extractor hood, two integrated ovens, a dishwasher and microwave, under-cupboard downlighting, and LED plinth lighting. Two double-glazed windows and double doors open onto the garden, while a TV point and LED spotlights complete the room.

The separate utility room provides plumbing and space for a washing machine and tumble dryer, along with fitted cupboards and a work surface, a double-glazed window, a uPVC door to the garden, and LED spotlights. A downstairs cloakroom is fitted with a wall-mounted wash hand basin with tiled splashback, WC, and heated towel rail.

Upstairs, the landing gives access to all bedrooms and the bathroom, as well as a boarded loft. The primary bedroom has a front-facing window and LED spotlights. The second bedroom includes TV point, double-glazed French doors with a Juliet-style balcony, offering impressive views over the rear garden. The third bedroom features a front-facing window and a mirrored fitted wardrobe. The bathroom is part-tiled and fitted with a double-glazed window, Jacuzzi-style corner bath, WC, wash hand basin, corner shower unit with wall-mounted shower, LED spotlights, and heated towel rail.

The garage is accessed via the utility room and has an electric roller door and power supply.

To the front, a well-maintained driveway provides ample off-road parking and access to both the front door and garage. It also includes an EV charger point.

The rear garden is generously sized and fully enclosed with secure fencing. It features a timber-built storage area, a timber-decked seating space, and a paved patio, along with an extensive lawn that leads to a large timber-framed summerhouse complete with a bar and power supply. Additionally, there are two timber sheds—one of which has power—and rear gated access onto Taverners Crescent.
