PREMIER LOCATION - LITTLEOVER SCHOOL CATCHMENT AREA - A truly outstanding, extended five-bedroom, three-storey detached home, offering approximately 2,900 sq ft of floor area and including a double detached garage. This superb property occupies arguably one of the finest positions, backing directly onto Mickleover Golf Course, and is set within a highly desirable cul-de-sac off Pastures Hill in the sought-after suburb of Littleover.

This home is full of style and character, provides spacious and well-proportioned accommodation comprising: an entrance hallway, generous lounge, dining room, home office, utility room, downstairs WC, and a stunning high-specification extended open-plan living/dining kitchen with bi-fold doors opening onto the rear garden.

To the first floor, the landing leads to four well-sized double bedrooms, two of which benefit from en-suite facilities, along with a contemporary family bathroom. The second floor offers a particularly spacious bedroom/games room, a separate study, and a shower room.

Outside, the property enjoys a pleasant end-of-cul-de-sac position, with a generous block-paved driveway leading to the double detached garage. To the rear, there is a delightful south-west facing garden with tiered lawns and paved seating areas, enjoying outstanding views as it backs directly onto Mickleover Golf Course.

The Detail

This exceptionally spacious and versatile home offers approximately 2,900 sq ft of accommodation and includes a detached double garage. Built to a high specification by Messrs William Davis in 2002, and has not previously been offered to the market, the property was originally designed as a five-bedroom, two-storey house. It has since been sympathetically extended to the rear and further enhanced by an impressive loft conversion, creating a generous additional bedroom/games room, study and shower room. The result is a beautifully proportioned five-bedroom home, all with generous double bedrooms, a family bathroom and three en-suites.

From the moment you step inside, the welcoming hallway sets the tone, featuring oak-effect Karndean flooring, attractive windows and bespoke touches, including a built-in bookcase and an elegant staircase rising to the first floor. The hallway provides access to the principal reception rooms.

The beautifully presented lounge centres around a limestone fireplace with a remote-controlled gas fire, complemented by built-in window seating and direct access to the garden. A separate dining room—currently used as a gym—offers flexibility, while a well-proportioned home office includes fitted bookshelves and overlooks the rear garden.

Undoubtedly the heart of the home is the superb open-plan kitchen, dining and living space, enhanced by a striking angled roof with inset glazing and aluminium bi-fold doors opening onto the garden. The contemporary kitchen is fitted with concrete-effect cabinetry, natural stone worktops and a range of integrated appliances, alongside a practical utility room and a ground floor WC.

Upstairs, the first floor accommodates four well-proportioned bedrooms. The front bedroom suite features a bay window and a stylish en-suite shower room, while the second bedroom suite benefits from its own en-suite and dressing area, enjoying delightful views over the adjoining golf course. A spacious third bedroom—formerly two rooms—along with a fourth bedroom and the family bathroom complete this level.

The second floor provides further versatility, offering a particularly spacious fifth bedroom or games room, a separate study, and an additional shower room—ideal for guests or home working.

Externally, the enclosed rear garden is designed for both relaxation and entertaining, featuring a raised patio, tiered lawns and a charming seating canopy, all enjoying picturesque views over the golf course. To the front, a generous block-paved driveway leads to the detached brick-built double garage. There is also an EV charger fitted.
