Offers In The Region of £450,000

CURRAN BIRDS + CO

Welcome to CB+CO, where *dedication* meets *excellence*, and impeccable service is our hallmark.

A modern detached home positioned on a private driveway, Compton Way forms part of a well-regarded development in Littleover. Built by Barratt Homes to their Cambridge design, the property benefits from a tree-lined outlook, landscaped gardens, and a calm, residential setting.

The ground floor opens with a welcoming entrance hallway, complete with built-in storage and a guest WC. To the front of the property is a generous lounge featuring a bay window, while to the rear, an open plan kitchen and dining area creates a sociable, well-connected space with French doors leading directly out to the garden. The high-gloss kitchen is fitted with integrated appliances and connects through to a separate utility area with side access. A study positioned off the hallway provides a quiet space for work or reading.

Upstairs, the principal bedroom enjoys a bright dual aspect with three windows and a contemporary en-suite shower room. There are three further double bedrooms arranged around a spacious landing, along with a modern family bathroom fitted with a crystal-effect shower screen. Additional storage is available via an airing cupboard which houses the hot water cylinder.

Outside, the south-facing rear garden includes a spacious patio with designated seating areas, astroturf section behind the garage, and well-established planting beds. To the front, the storm porch adds a thoughtful touch of shelter and design continuity. The property also includes a garage with power, lighting and boarded loft space, as well as driveway parking for three vehicles.

Compton Way is well located for access to Littleover village amenities, including independent shops, cafes, and supermarkets. The area is popular with families due to its proximity to reputable schools and offers convenient routes to the Royal Derby Hospital, Rolls Royce, and main commuter links.

A well-planned, modern home in a private setting, offering a thoughtful layout and practical features for everyday living.
