THE DETAIL

Approached via a generous tarmac driveway behind a hedgerow boundary, this character 1920's built detached property offers a classic layout and generous room proportions and is set within this beautifully maintained landscaped garden plot extending to just under a quarter of an acre.

The entrance hallway, with its original balustrade staircase, sets a welcoming tone and leads into a bay-fronted lounge with a feature fireplace. To the rear, the dining room enjoys garden views and opens directly onto a paved patio via patio doors, creating an easy flow between indoors and out. The kitchen is traditionally styled with oak-fronted units, integrated appliances and houses the Worcester gas central heating boiler.

Upstairs, three double bedrooms provide excellent proportions. The primary bedroom benefits from built-in wardrobes and a dressing table, while the second and third bedrooms both feature period fireplaces. A coloured two-piece bathroom suite is complemented by a separate WC.

Outside, the rear garden is a standout feature, extending to include a generous lawn, mini orchard, and well-stocked borders—ideal for gardening enthusiasts or families. A timber-framed shed offers storage, while a brick-built store and wrought iron gates provide additional functionality.
