CURRAN BIRDS + CO

Welcome to CB+CO, where *dedication* meets *excellence*, and impeccable service is our hallmark.

NO CHAIN – A modern, three-storey, two double bedroom mid-townhouse, situated within a conservation area in the heart of the highly sought-after historic South Derbyshire village of Repton. Presented throughout in a tasteful neutral decoration the property offers exciting potential for remodelling and personalisation. It would be ideally suited to a first-time buyer or young professionals.

This well-proportioned home is arranged over three floors. The ground floor comprises an entrance hallway with access to the single integral garage, which incorporates a utility area. The first-floor landing leads to a spacious living room and kitchen area. On the second floor, there are two well-proportioned bedrooms and a family bathroom.

Externally, the property benefits from a driveway providing off-road parking for two vehicles, an integral garage, and a private rear garden.

## The Detail

The accommodation is thoughtfully arranged to maximise both space and functionality. The ground floor opens into an entrance hallway with internal access to the integral garage, which in turn leads to a useful utility area at the rear — a practical addition with direct access to the garden.

The first floor forms the main living space, comprising a spacious lounge with a pleasant rear outlook and a fitted kitchen featuring a range of base and wall units, integrated oven and gas hob, and space for further appliances. This level offers a natural separation between living and sleeping accommodation, ideal for modern lifestyles.

To the second floor are two well-proportioned double bedrooms, both enjoying good natural light, along with a modern bathroom fitted with a panelled bath and shower over, wash basin and wc.

Externally, the enclosed rear garden provides a private courtyard-style setting, while the driveway approach allows off-road parking for two vehicles in addition to the garage.
