Welcome to CB+CO, where *dedication* meets *excellence*, and impeccable service is our hallmark.

SUPERB DETACHED BUNGALOW – A truly immaculate and beautifully presented three-bedroom detached bungalow, occupying a delightful and highly sought-after cul-de-sac position. The property offers tastefully appointed interiors and boasts a high-specification contemporary kitchen with quartz worktops and integrated appliances, a conservatory, and a stylish wet room completed in 2025.

The accommodation briefly comprises: an entrance hallway, a spacious lounge/dining room with bay window, a superb fitted kitchen with integrated appliances, two generous double bedrooms with built-in wardrobes, and a third bedroom/study with access to the conservatory.

Externally, the property enjoys attractive gardens and a driveway to the side with gated access leading to a further section of driveway and a detached single garage. To the rear is a delightful, private and enclosed garden featuring a paved patio area stepping down to a lawn with well-stocked planting borders.

The Detail

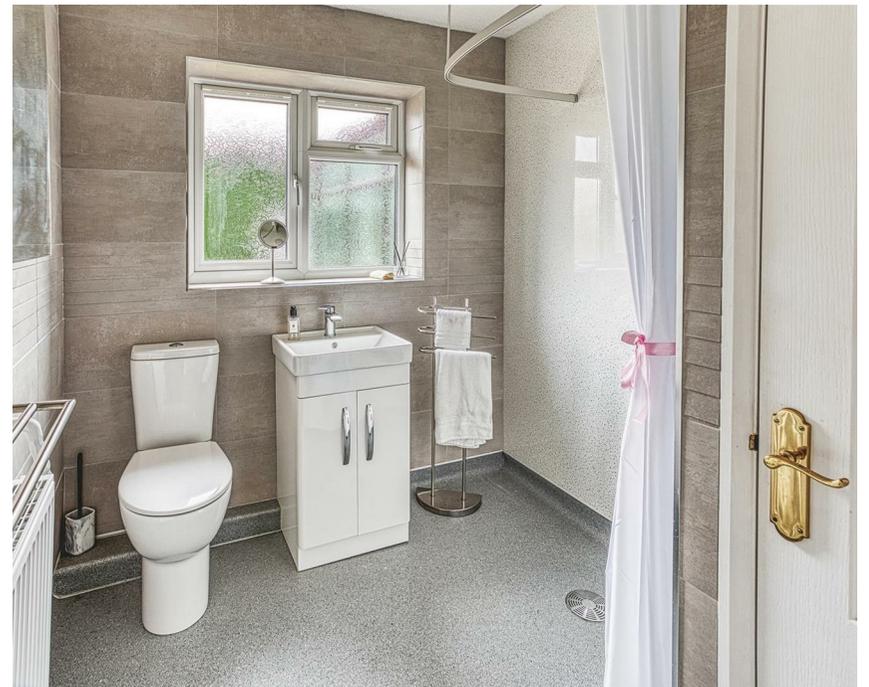

Set behind a shaped lawn and well-stocked borders, the property is approached via a generous driveway providing parking for several vehicles, with gated access leading to further parking and a detached garage. Internally, a welcoming T-shaped hallway connects the accommodation.

The principal reception room is a well-proportioned lounge/diner, naturally bright and centred around a traditional fire surround, offering a comfortable space for both everyday living and entertaining. The kitchen has been remodelled in recent years, fitted with sleek cabinetry, Silestone worktops and integrated appliances including Neff double ovens and an AEG hob, with views over the rear garden and direct access to the side drive.

A versatile study or occasional third bedroom leads through French doors into the conservatory, creating a seamless link to the garden. Two generous double bedrooms benefit from fitted storage, while the spacious wet room, refurbished in 2025, features contemporary tiling, a walk-in shower and built-in linen storage.

The rear garden provides a private setting with patio areas, lawn and established planting, offering a low-maintenance yet attractive outdoor space.
