EXTENDED FAMILY HOME - An excellent opportunity to acquire this extended and tastefully presented traditional three-bedroom mid-townhouse, situated in this ever-popular location close to a range of excellent local amenities and Markeaton Park. The property has been extended to the ground floor to include an entrance porch and a conservatory to the rear, while the first floor offers particularly generous proportions, benefitting from additional space above the passageway. The property would be ideally suited to a first-time buyer or a young family.

The property benefits from gas central heating via a combination boiler and uPVC double-glazed windows throughout. The accommodation briefly comprises: entrance porch, hallway, living room, spacious dining kitchen and conservatory. To the first floor, the landing leads to three bedrooms, including two particularly spacious double bedrooms, together with a well-appointed bathroom.

Outside, the property occupies a generous plot with a block-paved driveway providing off-road parking for two cars. A gated side passageway leads to an enclosed landscaped rear garden, featuring a paved patio area, a generous lawn and a further gravelled seating area.

The Detail

Entrance through double glazed door into an extended brick-built entrance porch with bamboo wood flooring and a double-glazed window, leading into a bright hallway. From here, stairs rise to the first-floor landing, with convenient access to the inviting living room.

The living room features a gas coal-effect fireplace set on a tiled hearth, wooden dado rails, coved ceiling, bamboo flooring, and an understairs storage cupboard, creating a warm and practical space. There is a spacious dining kitchen located at the rear of the property. The kitchen is fitted with white panelled units, roll-edged laminated work surfaces, a sink with mixer tap, and a standalone stainless steel gas cooker. Two rear-facing windows flood the room with natural light, while doorways lead to a pantry and a light-filled conservatory. The conservatory, with its brick base, uPVC double-glazed windows, and angled glass roof, opens via sliding doors onto the rear garden.

Upstairs, three well-proportioned bedrooms include two generous doubles, benefiting from extra space above the passageway. The family bathroom is well-appointed with a three-piece suite and dual rear windows.

Externally, a full-width block-paved driveway provides off-road parking for two vehicles. The generous rear garden offers a paved patio, lawn, raised gravel seating area, brick-built barbecue, and fence-panelled boundaries, delivering privacy and versatile outdoor living.
