IMMACULATE THREE STOREY HOME WITH STYLISH OPEN PLAN LIVING – Located within the popular Four Acres development, this beautifully presented Barratt Homes property offers a refined balance of modern design and practical family living. The ground floor centres around a generous open plan kitchen, dining and living space, carefully arranged to create a sociable environment ideal for both everyday life and entertaining, with French doors opening directly onto the garden. A separate study adds valuable flexibility, perfectly suited to home working.

Arranged over three floors, the accommodation provides a well-balanced layout with three double bedrooms, including a private principal suite complete with en-suite shower room. Interiors are finished in a contemporary style throughout, enhanced by feature detailing and well-planned storage. With allocated parking, landscaped outdoor space and close proximity to Mickleover village and key amenities, this is a home that combines modern comfort with everyday convenience.

The Detail

The property is entered via a composite front door into a bright and welcoming hallway, where a double built-in cloak cupboard provides excellent everyday storage. A neatly appointed ground floor WC sits off the hallway, finished with partial tiling and a modern wash hand basin. Positioned to the front, the study offers a versatile room with natural light, ideal for home working or additional reception use. The interior is stylishly designed and presented in immaculate condition throughout.

To the rear, the open plan kitchen, dining and living area forms the focal point of the home. The kitchen is fitted with a range of contemporary units, complemented by generous worktop space and integrated appliances including a fridge-freezer, gas hob, electric oven and stainless steel cooker hood. A one-and-a-half bowl sink with mixer tap enhances practicality. The living and dining area is well proportioned, with feature wall panelling adding a contemporary touch and French doors opening directly onto the garden, creating a natural extension of the living space. An understairs cupboard provides additional storage.

The first floor landing leads to a spacious front-facing lounge, designed with two windows to maximise natural light and offering flexibility for a variety of furniture layouts. To the rear, the principal bedroom benefits from two double glazed windows, space for wardrobes and a well-finished en-suite featuring a walk-in shower, tiled walls, wash hand basin, WC and radiator.

The top floor comprises two further double bedrooms, each incorporating built-in storage cupboards. The rear bedroom also benefits from feature wall panelling and access to loft storage, while the front bedroom enjoys an open outlook. These rooms are served by a family bathroom fitted with a white three-piece suite, including a panel bath with thermostatic shower over, wash hand basin and WC, along with an extractor fan.

Externally, the rear garden has been landscaped for low maintenance, featuring a paved Indian sandstone patio ideal for outdoor seating and an artificial lawn providing year-round usability. Gated rear access leads to a private parking area where two allocated spaces are located.
