The interior is thoughtfully arranged for modern living, including an open-plan bay-fronted lounge diner with French doors to the garden and an extended Wren kitchen fitted with high-quality appliances and stylish finishes throughout. Situated within the catchment areas for both Littleover Community School and Wren Park Primary, the property combines practical family living with considered design in a location known for its excellent amenities.

#### The Detail

Inside, the home opens into a welcoming hallway finished with herringbone-style flooring and feature wall panelling. A standard downstairs cupboard houses the central heating boiler, while additional integrated storage provides useful everyday convenience.

The extended Wren kitchen is fitted with shaker-style units, soft-close drawers, and a full suite of high-quality integrated appliances, including a Bosch five-ring induction hob, Neff double ovens, integrated Bosch washing machine, fridge freezer, and Neff dishwasher. Recessed lighting and motion-activated LED strips add a smart finishing touch, and a door provides direct access to the rear garden.

The open-plan lounge diner features a wide bay window to the front and French doors at the rear, allowing plenty of natural light to flow through the space. A feature fireplace, coved ceiling, and dual radiators create a comfortable and versatile area for both relaxing and entertaining.

Outside, the property sits on a generous plot with a block-paved driveway offering ample parking and a detached brick-built garage with electric roller door, lighting and multiple power sockets. The rear garden includes a patio, awning, lawned area, timber shed, and mature planted borders, all enclosed by fencing and hedging. Gated side access and two external water taps add further practicality to this well-maintained outdoor space.
