EXCLUSIVE DEVELOPMENT, FIVE DOUBLE BEDROOMS - Positioned at the end of an exclusive and secure private development, Willow Tree Court presents a substantial three-storey residence extending to over 1,900 square feet, designed for modern family living. Set behind gated access, the property enjoys a particularly private position, combining a sense of security with a refined setting.

The interior has been thoughtfully styled, featuring oak internal doors and generous proportions throughout, creating a cohesive and high-quality finish. A standout feature is the expansive open-plan kitchen and living space, enhanced by a striking glass lantern roof and full-width bi-fold doors that open onto the landscaped garden, offering an excellent setting for both entertaining and everyday living.

With five double bedrooms, two en-suite shower rooms, and an updated contemporary family bathroom, the property provides flexible and well-balanced accommodation, further complemented by a detached garage and private driveway parking.

The Detail

This immaculately presented home offers spacious and versatile accommodation arranged over three floors, finished to a high specification throughout. A welcoming entrance hallway leads through to the principal living spaces, with Karndean flooring running across much of the ground floor. To the front, a well-proportioned study or snug provides an ideal setting for home working or a separate sitting room, while a ground floor WC and built-in storage add everyday practicality.

The centrepiece of the home is the impressive open-plan kitchen and living area. A glass lantern roof draws in excellent natural light, while bi-fold doors span the rear elevation, opening directly onto the garden. The kitchen is fitted with contemporary high-gloss units, complemented by work surfaces and a full range of integrated Neff appliances including an induction hob with concealed extractor, oven, and microwave, alongside integrated refrigeration. A separate utility room provides additional storage, work surfaces, and laundry space.

Across the upper floors are five generous double bedrooms. The principal bedroom enjoys a rear aspect with a Juliet balcony overlooking the garden, fitted mirrored wardrobes with integrated storage, and an en-suite shower room. Additional bedrooms on the first floor are well-sized and served by an updated family bathroom featuring a freestanding bath, contemporary vanity unit, and quality fittings.

The top floor provides a further private bedroom suite, complete with built-in eaves storage, additional cupboards, and an en-suite shower room with Velux window.
