The Detail

This thoughtfully enhanced and modern three-bedroom semi-detached home was built by Glebe Homes to a high standard. Beautifully upgraded in recent years, the property truly needs to be viewed to be fully appreciated.

A composite panelled entrance door opens into a superb open-plan dining kitchen. Designed and installed by Wren Kitchens, the space features matt-finish light green units complemented by quartz marble-effect work surfaces, a composite sink with black fittings, and a full suite of integrated appliances. A stylish dining island takes centre stage, all set against oak-effect parquet flooring and accentuated by feature LED lighting. There are two windows to the front, as well as doorway access to a useful utility cupboard and the inner hallway.

The elegant oak-effect parquet flooring continues throughout the ground floor. The inner hallway provides stairs to the first floor, access to a contemporary WC, and leads openly into a stylish rear living room.

The living room continues the oak-effect parquet flooring and benefits from underfloor heating, a rear-facing window, and French doors that open onto the enclosed rear garden—creating a seamless indoor-outdoor flow.

Upstairs, there are three well-proportioned double bedrooms, including a front-facing principal bedroom with a modern en-suite shower room featuring a three-piece suite. The main bathroom is fitted with a three-piece suite and includes a Triton electric shower over the bath, as well as a useful airing cupboard for storage.
