The Detail

Originally constructed by Messrs William Davis Homes in 2001 as a five-bedroom property and finished to an impressive specification, this home has been maintained to an immaculate standard and has been thoughtfully upgraded and reconfigured by the current owners.

The property benefits from gas central heating and double glazing, and the accommodation briefly comprises, on the ground floor: an open entrance porch, entrance hallway, downstairs WC, utility room, and a family room with access to a storage area and gym. There is also a beautifully appointed dining kitchen fitted with a range of oak-fronted units, granite work surfaces, and a selection of quality integrated appliances. A charming bay window to the front enjoys delightful views over the golf course, and there is access to a side porch which leads to the rear garden.

The first-floor landing leads to a spacious living room with a balcony enjoying stunning elevated views over the golf course. This floor also provides access to bedroom four, which could alternatively be used as a study, along with a separate WC. The stylish principal bedroom suite completes the first-floor accommodation and features a bespoke, high-specification dressing room designed and installed by Neville Johnson, together with a contemporary en-suite shower room.

The second-floor landing incorporates a mezzanine seating area and provides access to two further double bedrooms, both benefiting from generous eaves storage and fitted wardrobes. There is also a contemporary family bathroom and an additional en-suite shower room accessed from bedroom two.

Externally, the property occupies a delightful cul-de-sac position in a slightly elevated setting, enjoying outstanding views towards Mickleover Golf Course. To the front there is a generous block-paved driveway providing ample off-road parking and leading to a single integral garage.

To the rear there is a delightful, private and enclosed south-facing garden arranged over tiered levels. This includes an extensive paved patio with a timber-framed gazebo and hot tub, together with steps leading up to additional paved seating areas and lawned sections.
