CURRAN BIRDS + CO

Welcome to CB+CO, where *dedication* meets *excellence*, and impeccable service is our hallmark.

Woodlands is a beautifully updated detached home occupying a generous, gated plot on the rural edge of Belper. Designed to complement its surroundings, the property offers exceptional privacy and far-reaching views across open fields. Inside, the layout is both spacious and thoughtfully arranged, with contemporary finishes enhancing each room. The open-plan kitchen, fitted with high-specification appliances and quartz work surfaces, is ideal for everyday living and entertaining alike. French doors in both the lounge and kitchen lead directly onto a raised patio, creating a natural flow to the landscaped garden beyond. A wood-burning stove, en-suite bathrooms, and quality materials throughout add to the sense of considered design. With a newly laid driveway, large workshop with power, and beautifully maintained outdoor spaces, this home offers a rare combination of style, comfort and seclusion—all within easy reach of Belper and its many amenities.

The Detail

Approached via a recently laid tarmac driveway and set behind double gates, Woodlands sits on a substantial and well-screened plot with mature landscaping and far-reaching views. The entrance porch opens into a wide hallway featuring tiled flooring, recessed lighting, and a practical understairs storage recess. The lounge offers warmth and character with a log burner set on a raised slate hearth, wood flooring, wall lights and recessed lighting. French doors open directly to a patio, drawing in natural light and offering direct access to the garden.

At the heart of the home is a beautifully appointed kitchen with a Howdens range, quartz work surfaces and a central island with lighting and integrated storage. A Belfast sink, five-ring induction hob, double oven, integrated microwave, dishwasher, and fridge-freezer provide both form and function. Dual French doors create a seamless transition between indoor and outdoor living. There is also internal access to the integral garage, which measures approximately 5.3m x 2.5m, and has a new door, double-glazed window, lighting, power, and a wall-mounted combination boiler.

Two bedrooms and a ground floor WC complete the lower level, offering versatility for guests or home working. Upstairs, the main bedroom enjoys wide countryside views and a modern en-suite with a walk-in rainfall shower. A second double bedroom also features its own en-suite, both finished with integrated vanity units and high-quality tiling.

Externally, the gardens have been extensively landscaped to create a private and attractive outdoor setting. Extensive lawns flank the driveway, complemented by mature trees, flowerbeds, and raised vegetable planters. A stone patio offers an ideal space for entertaining or relaxing, with integrated garden lighting enhancing the setting. A stone boundary wall provides further character and privacy.

To the rear of the plot is a large detached outbuilding measuring approximately 9.8m x 3.8m. With a newly installed roof, full power and lighting, and two additional storage areas plus log stores, it offers excellent potential as a studio, workshop, or garden room. A large gravelled area in front of the outbuilding adds practical functionality and ease of access.
