NO CHAIN - A well proportioned three bedroom end-townhouse, occupying this popular location on the edge of the Derbyshire village of Kilburn. The property would be ideally suited to a first time buyer, young family or investor and has recently undergone a scheme of redecoration and improvement being presented to a tasteful neutral theme and having replacements carpets.

The property has a combination boiler gas central heating system, uPVC double glazing and in brief comprises: entrance hallway, spacious utility/store, fitted kitchen and spacious lounge dining room with access to the rear garden. The first floor landing gives access to three bedrooms, bathroom and separate wc.

Outside, the property has a front garden and a south facing enclosed rear garden.

The Detail

The property is accessed via a composite double-glazed front door, opening into an entrance hallway that provides access to all ground floor rooms and the staircase to the first floor.

To the front of the property is a fitted kitchen, featuring wood-effect wall and base units with brushed stainless steel handles and metro-style splashbacks. There is space for a gas cooker, washing machine and fridge. Spanning the rear of the house is a spacious lounge/dining room, which enjoys views over the garden through two double-glazed windows, along with a rear access door leading out to the enclosed garden. Off the hallway is a useful store/utility room, housing the Vaillant combination boiler installed in 2025.

On the first floor, the landing leads to three well-proportioned bedrooms, with the primary bedroom overlooking the rear garden and two further bedrooms positioned to the front of the property. The bathroom is fitted with a panelled bath and pedestal wash hand basin, complemented by a separate WC.

Externally, the south-facing enclosed rear garden offers a paved patio, lawn and established borders, with gated side access leading to the front garden and Dale Park Avenue. On-street parking is available.
