Its front-facing windows provide pleasant street views and consistent light.

At the rear, the dining kitchen has been arranged with matching wall and base units, roll-edge laminate worktops and a standalone gas cooker with a four-ring hob and double oven, while a wall-mounted Ideal combination boiler sits neatly above the work surface. The room also features an understairs cupboard, adding useful storage capacity, and there is ample space for a dining table overlooking the garden. A built-in pantry also houses the electrical fuse box,

Upstairs, the accommodation includes three well proportioned bedrooms. The primary bedroom sits to the front with dual windows, while the second double bedroom offers garden views and the third bedroom is a good sized single bedroom with window to the front. There is a shower room with walk in shower and wash hand basin and there is a separate wc.

Externally, the rear garden is a standout feature—fenced and enclosed with a mix of lawn, gravelled borders and seasonal planting.
