STYLISH HIGH SPECIFICATION HOME – An immaculate three double bedroom detached property, offering well-proportioned living accommodation and benefitting from a superb open-plan dining kitchen, a contemporary family bathroom, and a principal bedroom with a modern en-suite shower room. Occupying a beautifully landscaped plot, the property also features a detached single garage and enjoys a pleasant cul-de-sac position on the edge of the popular village of Loscoe.

Constructed by Wheeldon Homes in 2022 to a high specification, the property benefits from the remainder of its NHBC warranty. This impressive modern home includes triple-glazed flush casement windows, gas central heating, and a PIV air circulation system.

The accommodation briefly comprises an entrance hallway, downstairs WC, stylish lounge, utility room, and a superb open-plan dining kitchen with rear bay window and French doors providing access to the rear garden. To the first floor, the landing leads to three well-proportioned bedrooms and a contemporary family bathroom. The principal bedroom further benefits from built-in wardrobes and a modern en-suite shower room.

Externally, there is a driveway to the side leading to a single detached garage. To the rear is a beautifully landscaped, low-maintenance enclosed garden, featuring two porcelain-paved patio areas and a generous artificial lawn.

The Detail

The property is entered via a composite panelled front door into a welcoming hallway, featuring wood-grain effect flooring and a staircase rising to the first-floor landing. Contemporary black internal doors provide access to the WC and living room, while the hallway also opens seamlessly into the dining kitchen.

The stylish living room is a bright and well-proportioned space, enhanced by a dual aspect with windows to both the front and rear elevations, together with a quality wall-mounted storage unit.

The beautifully appointed dining kitchen forms the centrepiece of the home and is finished with an elegant range of panelled units, quartz work surfaces and brushed stainless-steel detailing. Integrated appliances include a tall fridge and freezer, dishwasher, electric oven and induction hob, complemented by recessed LED lighting and a feature swan-neck mixer tap. The kitchen enjoys a dual aspect, with a window to the front and French doors to the rear opening directly onto the garden, creating an excellent indoor-outdoor flow.

Off the kitchen is a separate utility room, fitted to the same high specification and providing additional storage, appliance space and direct access to the garden.

The first-floor landing gives access to three double bedrooms and the contemporary family bathroom, as well as loft access via a retractable ladder to a partially boarded storage area. The primary bedroom benefits from built-in mirrored wardrobes and a modern en-suite shower room. The remaining bedrooms are served by the stylish family bathroom, with both bathrooms finished with modern white suites and tasteful flooring.

Externally, the property offers a single-width driveway to the side providing parking for two vehicles, along with a detached garage featuring power, lighting and a side personal access door. The front and rear gardens are attractively landscaped for low maintenance. The delightful rear garden includes two porcelain-paved patio areas, raised planting beds with feature olive trees and an artificial lawn.
