The Detail

The property is entered via a composite front door into a welcoming hallway, complete with a useful cloaks cupboard and side-facing window. The ground floor accommodation centres around a bright through-lounge, which spans the depth of the home and is filled with natural light from front and rear aspects. This room features an attractive fireplace, media connections, and sliding doors that open directly onto the garden's lower tier.

The kitchen is thoughtfully designed with a comprehensive range of wall and base units, integrated appliances including a dishwasher and fridge-freezer, and a full-height pantry. Two windows provide excellent natural light, while the adjoining rear lobby offers access to the garden, a cloakroom WC, and the dining area—an adaptable space with French doors and a secondary entrance.

Upstairs, the home comprises two generous double bedrooms. The principal bedroom includes a walk in wardrobe and front-facing window, while the second bedroom enjoys a rear aspect and houses the modern combination boiler in a built-in cupboard. A smartly appointed bathroom completes the first floor, featuring a three-piece suite with mains shower over the bath, contemporary tiling, and chrome towel radiator.

The rear garden is a true highlight for those who enjoy outdoor living. Designed over several tiers, it offers a range of areas for both relaxation and entertaining. There are paved patios ideal for seating and dining, lawns providing green space, and well-established planted borders that create a mature and attractive outlook. The layout offers privacy, seasonal interest, and a rewarding space for gardening enthusiasts to enjoy and personalise.
