The Detail

A beautifully upgraded two-bedroom home offering a harmonious mix of character features and quality modern finishes.

The open-plan ground floor is bright and welcoming, with a beam ceiling and recessed brick fireplace adding depth and personality. A bespoke storage solution in the sitting area maximises functionality, while the adjoining living and dining space features grey wood-grain flooring and a charming cottage aesthetic. The kitchen is thoughtfully designed, fitted with grey panelled units, solid oak worktops, and a suite of integrated appliances including an electric oven, induction hob, wine cooler, and slimline dishwasher.

The layout flows seamlessly, with considered lighting and natural stone tiled splashbacks enhancing the finish. Upstairs, a spacious landing leads to two well-proportioned bedrooms. The second bedroom includes a built-in wardrobe, fitted desk, and drawers—ideal for home working or study. The shower room is smartly presented with a quartz-effect vanity unit, concealed WC, and a rain shower with chrome fittings.

Externally, the property continues to impress. A single-width driveway to the side provides convenient off-street parking, while the enclosed rear courtyard offers a private, low-maintenance outdoor space.

The brick-built outbuilding adds real value, offering a practical workshop and storage area with timber cladding, a modern anthracite door, and even an adjoining WC—perfect for DIY enthusiasts or for additional secure storage.
