## The Detail

This beautifully presented three-bedroom end-terrace home is full of character and well-suited to modern living. A traditional powered door with a glazed window leads into an entrance vestibule with Minton-style flooring, setting the tone for the home's period features. Beyond, the entrance hallway showcases a Minton tile fireplace and wood-panelled doors.

The sitting room is a welcoming space, featuring a cast iron fireplace with an antique pine surround, a wooden picture rail, and a bay window fitted with plantation shutters. The adjacent dining room continues the theme with ornate coving, picture rail and French doors opening onto the rear garden. The well-designed kitchen includes cream shaker-style units, a marble-effect worktop, and integrated appliances, with a door providing access to the cellar for extra storage.

Upstairs, the semi-galleried landing benefits from a skylight and a stained glass window. The primary bedroom is a spacious retreat, featuring a period cast iron fireplace and a large bay window. Bedroom two also includes a period fireplace, while bedroom three offers built-in storage alongside its fireplace. The bathroom has been beautifully appointed with a contemporary three piece suite complimented by stylish tiling and chrome ladder style towel rail.

The walled front garden features a hedgerow and wrought iron gate, while the landscaped rear garden is designed for ease of maintenance, offering a mix of patio, decking, and a brick outbuilding with power and lighting.
