The Detail

Set across two floors, this well-finished home is entered via a modern composite front door into a hallway with engineered oak flooring and LED downlighters. The open-plan living and dining space offers excellent proportions and leads seamlessly to the rear garden through bi-folding doors, creating an effortless connection between indoor and outdoor areas.

The kitchen is fitted with high-gloss white units, black granite-effect worktops, and integrated Smeg appliances including an electric oven, gas hob with extractor, fridge freezer, dishwasher, and washing machine. Details such as black metro-style splashbacks, porcelain tiled flooring, and LED plinth lighting add a considered touch to the space.

Upstairs, the primary bedroom benefits from built-in wardrobes with double hanging rails, twin windows, wall-mounted lighting, and matching bedside units. The second double bedroom also offers integrated storage and a rear aspect view. The bathroom features a fully tiled finish with a white suite, P-shaped bath with shower screen, and chrome fittings.
